Additional requirements:

- A grade of C- or better must be earned in all minor requirements
- Placement in elementary and intermediate language courses depends on previous studies and the student’s score on the language placement exam. “Placing out” of an elementary or intermediate course **does not confer any hours or credits towards the minor**. Students may apply only SPA 201 and/or SPA 202 to the minor if they are placed in that course by the placement exam and they successfully complete the course.
