

Adjunct Instructor Mathematics

The Mathematics Program at Spring Hill College is accepting applications to teach Contemporary Math and/or Pre-Calculus for the Fall 2023 semester. A Master's degree in Mathematics is required and teaching experience is preferred. Those who have previous experience teaching with these particular courses will be given greatest preference. To apply for this position (to teach either of these courses) please submit a cover letter, curriculum vitae, and contact information for 3 professional references to Rebecca Fillmore rfillmore@shc.edu. Review of applications will begin immediately and continue until the position is/are filled. Spring Hill College is an equal opportunity employer. All candidates must have legal authorization to work in the United States.
