

Adjunct Instructor – Psychology (Pool)

The Psychology Program at Spring Hill College invites applications from qualified individuals interested in adjunct teaching assignments. Applications are accepted continuously for part-time, nontenure-track positions for fall and spring terms. Applications will be kept on file and reviewed as vacancies become available. There may not be an actual vacancy at the time you apply.

Minimum Required Qualifications:

- Master's degree in Psychology (or related field)
- Teaching experience

To apply, submit the following information to psychsearch@shc.edu

- Letter of interest (stating the Psychology classes you are qualified to teach)
- Current CV
